Ried Zieregg
Coralline limestone soil

GRAPE VARIETY

Sauvignon Blanc

VINIFICATION

After natural fermentation 24 months
in big neutral oak casks sur lie; bottled
unfiltered

WINE DESCRIPTION

Single-vineyard Zieregg is divided into 16 plots of which 13 are planted with Sauvignon Blanc. Characterized by cambisol soil and coralline limestone soil, the old vines grow on a 16 mio. year old coral reef. The southern faced exposition forms the aroma of this wine in a very distinctive and expressive way: In the deep nose the exceptional vintage shows a slender, smoky flavour spectrum underlaid with elegance and limestone spices. Incredibly mineral, structured and completely independent. Air helps bring out aromas reminiscent of salt lemon and pineapple as well as thyme, gooseberries and camphor. Palate fuming minerality, salt flowers and preserved lemons. Great ageing potential!

ANALYSIS DATA

Alc. 13 % Vol.
1,1 g/l RS dry
6,4 g/l tbS

MEAL ADVICE

Goes very well with vegetables, fish & chicken

BEST TIME TO DRINK

2024 to 2040+

 Family business since 1959

 Authentical wines of origin

 Careful manual labour

 Hand harvested grapes

 100% in-house production

 Organic agriculture after AT-BIO-402

 Slow and gentle maturation of the wines

 Natural and spontaneous fermentation

*AT-BIO-402
