The wine year 2019

Winemaking is hard work. In every weather and every stage. Pruning, trellising, thinning, harvesting. The whole year is spiked with manual labour that is crucial. Our helpers are a really special kind. The way to a high-end product we ask them to walk is more of a climb: steep and rough. 2019 was no different in that matter. Heavy thunderstorms forced us to put in some extra shifts but luckily it all got rewarded with a bright and sunny autumn and a fantastic vintage 2019.
