Wine description

Our icon and historic part of the Zieregg vineyard. As complex as life itself. A portion of the 2015 harvest from the historic Zieregg section was left in the barrel and is now being bottled after more than 8 years of barrel aging with the addition of ,XT': ,XT' signifies ,Extra Time - Extra Terroir - Extra Tement': In short, a wine that has matured to perfection for us

The wine year 2015

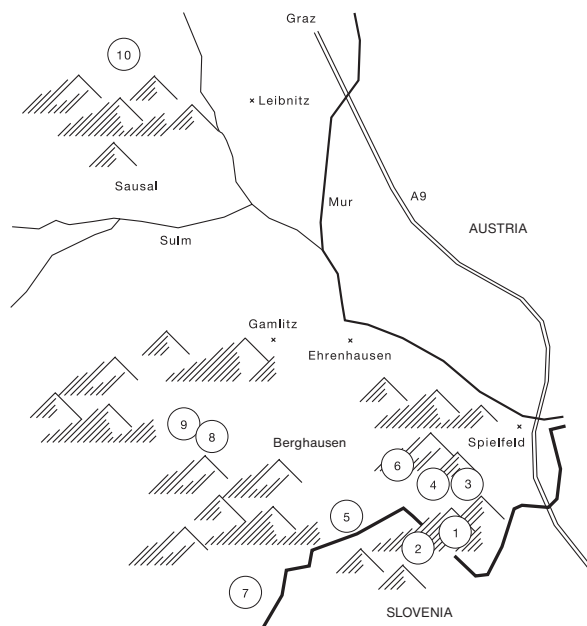

A vintage that we will remember for a long time! The year started with a moderate spring and well-distributed rainfall. The flowering period happened quickly and without any significant difficulties. We will definitely remember the summer with its hot daytime temperatures. One record after the other was achieved, one hot day followed another. Fortunately, however, our region repeatedly received timely rain, which ensured an adequate water supply for the vines. And autumn was just around the corner. Temperatures got cooler, one picture book day followed the other and night temperatures created a cheering mood. The main harvest began and gave us a very homogeneous grapes with perfect ripeness, deep fruit expression and juicy acidity structure.
